## Duet

Why can't we see Your face, O  
Lord, why do we need our faith?

Why can't we see Your face, O  
Lord, why do we need our faith?

You DO see Me, My beloved child,  
in all I made sincerely,

and growing in My image,  
you see Me ever more clearly,

The answers are within you, child,  
the answers are right there.  
I wrote them deep within your  
heart, I knew that you would care.

Then why, O Lord, are we on  
earth, then why aren't we with  
You?

Then why, O Lord, are we on  
earth, then why aren't we with  
You?

You are here to grow, My child,  
I'm giving this to you,

to be the "who" you want to be,  
while working with Me too,

The answers are within you, child,  
the answers are right there.  
I wrote them deep within your  
heart, I knew that you would care.

Then why do hard things happen,  
Lord, that cause us so much pain?

Then why do hard things happen,  
Lord, that cause us so much pain?

I send you things, my dearest child,  
and feel them as you do,

so you will grow as you must grow  
and help your family too.

The answers are within you, child,  
the answers are right there.  
I wrote them deep within your  
heart, I knew that you would care.

So what happens, Lord, when life  
does end, and we have breathed  
our last?

So what happens, Lord, when life  
does end, and we have breathed  
our last?

My child I give you life with Me,  
and no one takes your place,

and now of spirit you are made,  
now you see my face,

The answers are within you, child,  
the answers are right there.  
I wrote them deep within your  
heart, I knew that you would care.

## Dona Fidei

For heaven we were made, O  
Lord.  
With love we do prepare.  
You guide us by Your plan, O  
Lord,  
conceived with endless care.

Thank You, Lord, for making me  
me,  
and all that You've put into me.  
And now I know, and now I see  
that no one else I need to be.

Thank You, Lord, for letting me be  
at peace with all You've sent to  
me,  
because I know that when it's  
done,  
eternal good is what You've won.

Thank You, Lord, for setting us  
free,  
from living in fear and thinking we  
see  
that everything depends on me,  
that everything depends on me.

Thank You, Lord, for giving us  
"why"  
to live and love before we die,  
and know the happiness that comes  
only when a person loves.

Thank You, Lord, for letting us  
choose  
the faith and love that never lose,  
the faith that we can always show,  
the love that always makes us  
grow.

Thank You, Lord, for giving us life  
that never ends, except the strife.  
Now we know, no need to hide,  
the truth of life is on our side.

Thank You, Lord, for those with  
You,  
we'll be together, it is true.  
And since our love is not in vain,  
we love without the fear of pain.

Thank You, Lord, for now we  
know  
heaven, yes, is where we go,  
and for our dreams where we can  
see  
a glimpse of all there is to be.

Thank You, Lord, for making it  
clear:  
We do not need our heaven here.  
And since we know there's always  
more,  
there's nothing here we need  
adore.

Thank You, Lord, for letting us see  
worldly things for what they be.  
And greater happiness there's not,  
gratitude for what we've got.

For heaven we were made, O  
Lord.  
With love we do prepare.  
You guide us by Your plan, O  
Lord,  
conceived with endless care.

## Enough!

Enough, please, comparing you to others,  
and thinking somehow you are less...  
With everything I have I made you,  
I did not make you less, I did not make you less.

*Please get the message, if you don't I'm at a loss.  
I do not know what else to do,  
I sent to you the cross, I sent to you the cross.*

Enough, please, forever feeling guilty,  
for something that you cannot change...  
For everything there is a reason,  
the past you need not change, the past you need not change.

*Please get the message, if you don't I'm at a loss.  
I do not know what else to do,  
I sent to you the cross, I sent to you the cross.*

Enough, please, of feeling something's missing,  
and thinking everyone has more...  
You, too, were made to live in heaven,  
where no one will have more, where no will have more.

*Please get the message, if you don't I'm at a loss.  
I do not know what else to do,  
I sent to you the cross, I sent to you the cross.*

Enough, please, concerned with what you look like,  
or being something you are not.  
You look like who it is I made you,  
better to me there's not, better to me there's not.

*Please get the message, if you don't I'm at a loss.  
I do not know what else to do,  
I sent to you the cross, I sent to you the cross.*

Enough, please, of feeling no one knows you,  
or, worse, that you are all alone.  
I, too, feel everything that you do,  
NEVER are you alone, NEVER are you alone.

*Please get the message, if you don't I'm at a loss.  
I do not know what else to do,  
I sent to you the cross, I sent to you the cross.*

## Our Life

You wake me up, I thank You, Lord,  
for each and every day.

You ask me to be grateful, Lord,  
there is no other way.

With water You refresh me, Lord,  
and food I also need.

You ask me think of others, Lord,  
and those who do not plead.

I get the chance, the case is clear,  
to be of help, I see.

It costs me some, but it's not much  
for all You've done for me.

I have a choice to do what's good  
for others, me, or not.

I think of You, Your love and life,  
and, yes, a choice I've got.

I live my life, I make mistakes  
of this and other kind.

And You forgive before I ask,  
because I was so blind.

You ask me, Lord, for just one thing  
when others are not true.

Forgive as I forgiven am  
and look with love like You.

## The Church Song

Yours, Oh God, is the life of a family.  
We were made a family too.

You sent Your Son, so we could be one,  
both now and when we're with You.

Because we are a family,  
our lives are better there,  
when in heaven we are together  
with so much more to share.

Yours, Oh God, is the life of a family.  
We were made a family too.

You sent Your Son, so we could be one,  
both now and when we're with You.

Because we are a family,  
our lives are better here,  
if we try to live as a fam'ly  
and faith and love are near.

Yours, Oh God, is the life of a family.  
We were made a family too.

You sent Your Son, so we could be one,  
both now and when we're with You.

Because we are a family,  
true love is what we need,  
to be patient and understanding  
so that we might succeed.

Yours, Oh God, is the life of a family.  
We were made a family too.

You sent Your Son, so we could be one,  
both now and when we're with You.

Because we are God's family,  
He's with us all the time,  
guiding us in so many ways,  
abundant and sublime.

## Duet

Porque, Señor, necesitamos la fe,  
y no podemos verte? //

Tu me ves a mi, amado mío  
en todo lo qu' he creado.  
Y creciendo en Mi imagen  
me ves a Mi más claro.

La respuesta está dentro, hijo.  
La respuesta está ahí.  
Yo la he puesto dentro de ti  
para guiarte hacia mí.

Porque, Señor, estamos aquí?  
y no ahí contigo? //

Estas aquí para prepararte,  
Y todo hasta esto, Yo te doy a ti,  
ser la persona que quieres ser  
trabajando conmigo así.

(coro)

Porque, Señor, debemos luchar  
y sufrir el dolor? //

Lo mando todo, mi hijo amado,  
para que crezcas como debes,  
y contigo lo siento todo,  
y de eso seguro estés.

(coro)

Cuando termina la vida, Señor,  
y ya no respiramos mas? //

Yo te doy la vida hijo mío,  
y nadie ocupa tu lugar.  
Y del espíritu tu serás,  
y conmigo vas a estar.

(coro)

## Dona Fidei

Nos creaste por los cielos.  
Con amor nos preparamos.  
tu nos guías por Tu plan  
en que siempre confiamos.

Gracias, Señor, porque me has  
hecho,  
por todo lo que has puesto en mí,  
porque yo se no debo ser  
mas de lo que puedo ser.

Gracias, Señor, por concederme  
paz con todo lo que mandas,  
porque yo se que sabes Tú mejor  
y envías de Tu amor.

Gracias, Señor, por liberarme  
de vivir en el mundo con miedo  
porque yo se no es así:  
que todo depende de mí.

Gracias, Señor, por la razón  
amar con el corazon,  
y saber que, que la felicidad  
que viene con la caridad.

Gracias, Señor, control tenemos  
sobre todo lo que nos pasa.  
y la fe siempre es posible,  
y el crecer siempre disponible.

Gracias, Señor, por Tú crearnos  
la vida eterna viene por mí.  
y ya que tengo la esperanza,  
la muerte no me amenaza.

Gracias, Señor, por los que han  
muerto  
adelante estarán conmigo.  
Y ya que el amor se preserva,  
amamos bien, y sin reservas.

Gracias, Señor, que ahí marchamos  
a los cielos, adonde vamos,  
donde los sueños, sí, se cumplen  
que ahora se vislumbran

Gracias, Señor, porque es muy  
claro,  
no necesito paraíso aquí.  
Y ya que siempre haya más,  
no hay envidia de los demás.

Gracias, Señor, por lo que tengo,  
por recordar de donde vengo,  
y la felicidad que sabemos  
apreciando lo que tenemos.

Nos creaste por los cielos.  
Con amor nos preparamos.  
Tu nos guías por Tu plan  
en que siempre confiamos.

## No Más

No mas, por favor, de compararte a los demás  
pensando que tu eres menos. Tú no eres menos.  
Con todo mi amor yo te hice,  
y no te hice menos, y yo no te hice menos.

Hay que comprender, hay que ver la luz!  
Yo no se que más hacer,  
ya te mandé a ti la cruz.

No más, por favor, sintiéndose siempre la culpa,  
cuando no hay nada que cambiar, nada que cambiar.  
Hay razón por lo que pasa,  
que tu no puedes cambiar, que lo no debes cambiar.

(coro)

No más, por favor, sintiendo que el mundo te pasa  
y que todo mundo tiene mas; no, no, tiene mas.  
Por los cielos te he hecho hijo mío,  
donde nadie no tendrá mas, donde nadie no tendrá mas.

(coro)

No más, por favor, de sentir de que nadie te comprende  
o peor, que tú estás solo. Tu no estás solo.  
Experimento todo contigo,  
y tu nunca solo estás, tu nunca solo estás.

(coro)

Y no más, por favor, de preocuparte por apariencias,  
o de ser lo que tú no eres, lo que tú no eres.  
Tú eres la persona que a quien he hecho,  
y menos que nadie no eres, menos que nadie no eres.

(coro)

## La vida nuestra

Estoy aquí, gracias a Dios,  
en otro día mas.

Yo vivo agradecido, Dios,  
Tú no nos pides mas.

Con agua me apoya, Dios,  
y lo que hay de comer.

Pensar en los demás, Señor  
es para mí hacer.

Yo puedo, Dios, aquí estoy,  
a otro ayudar.

Me cuesta, Dios, mas cuanto es  
por lo todo vas a dar.

Lo bueno y lo malo es,  
hacer o no hacer.

Yo debo más pensar en Ti,  
y quien yo quiero ser.

Me fallo cada día, Dios  
pero tambien a Ti,

Y Tú perdonas, otra vez  
por Tú amor por mí.

Me pides, Dios, si los demás  
actúan contra mí,

no más tardar en perdonar,  
amar y dar mi “sí”.

## El Canto de la Iglesia

La Tuya, Señor, es la vida en familia.  
Tú nos creaste a imagen de Ti.

Nos mandaste a Tu Hijo, Señor,  
que todos seamos uno en Ti.

Porque somos familia  
la vida ahí es mejor  
cuando estemos en los cielos,  
y compartamos de Tu fulgor.

(coro)

Porque somos familia  
la vida aquí es mejor,  
cuando vivimos como familia  
y compartimos fe y amor.

(coro)

Porque somos familia  
amar debemos aquí,  
con sacrificio y el perdon,  
sin pensar solo en mí.

(coro)

Porque somos Tus hijos  
con nosotros Tu estás,  
y Tú nos guías per-fect-a-ment-e,  
y aceptamos lo que nos das.

(coro)
