

**The Triangle**  
The two sides  
of a card you can  
cut out and fold together.

**Heaven**  
is our hope

Today I need  
to remember  
that

**Love**  
is the only life  
that matters

**God's plan**  
knows what it  
is doing

When peace  
is lacking, place  
"The Triangle" so that the  
idea that helps you best is on top.  
The Triangle is based on the  
books of Robert J. Cormier
